COMPANY

Our motto: Quality - Effectiveness - Flexibility

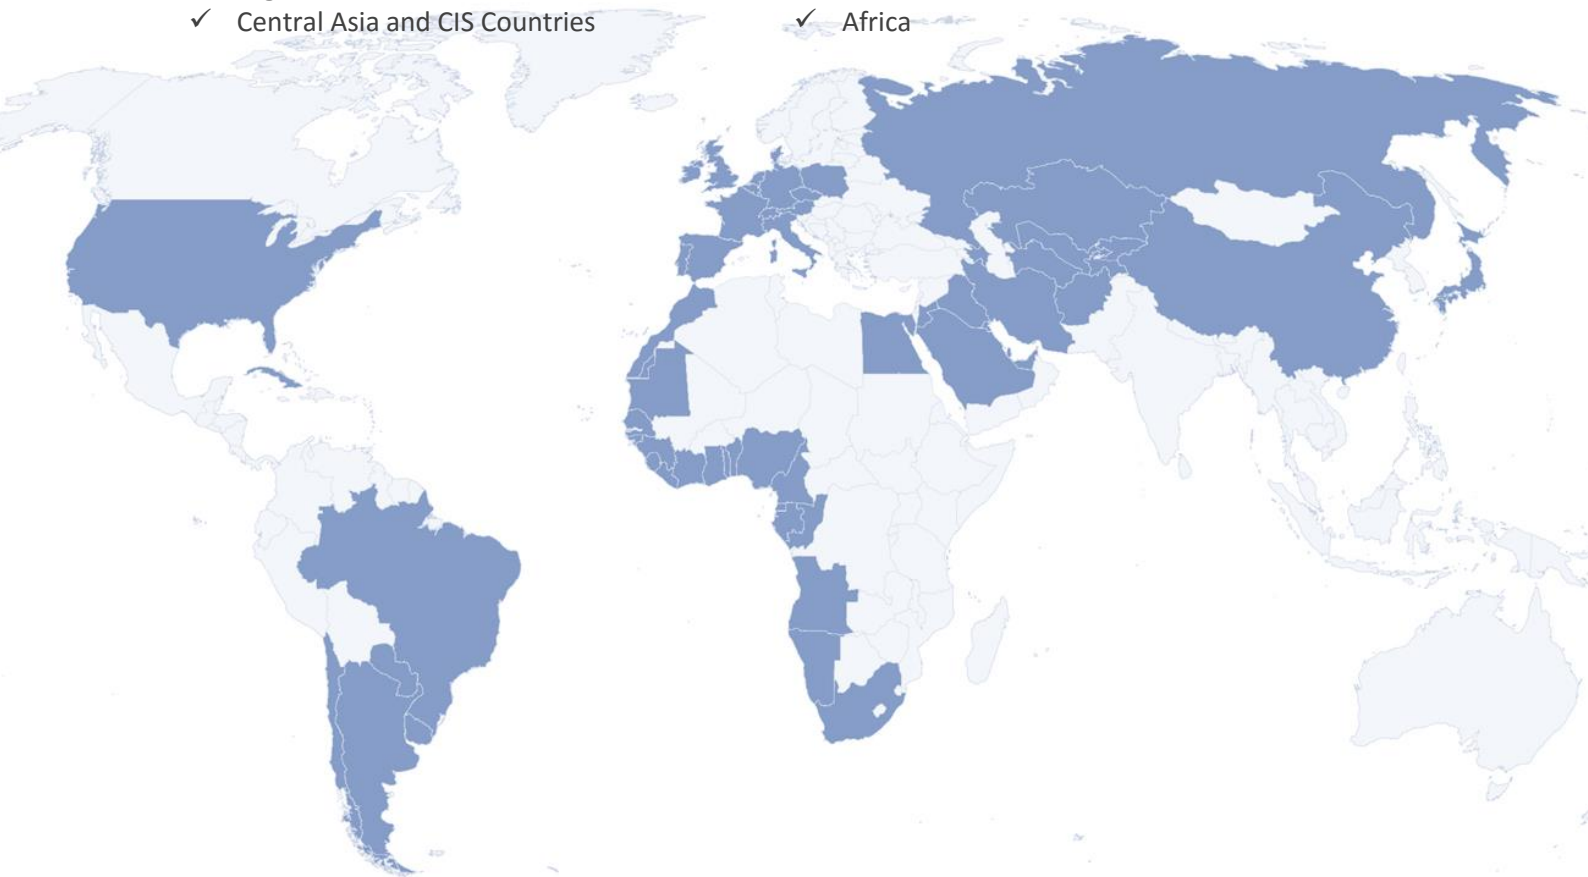

MTS Mangal Transport & Shipping GmbH is one of the world's leading forwarder, transport and logistic company located in Hamburg/ Germany.

With our location near the Port of Hamburg – as not only the gateway to the heart of Europe but to the entire world – we are able to offer our customers a wide range of services. This prime location in Central Europe enables **MTS** to manage a world-wide container transport.

We offer an extensive service covering the entire process of a transport: planning, operating, permanent controlling and various of logistical procedures. Our work is characterized by high standard of quality. At **MTS** the customer and his needs are the topmost priority.

We especially provide transportation services from and to:

- ✓ Europe
- ✓ Near and Middle East
- ✓ Afghanistan and Iran
- ✓ Central Asia and CIS Countries
- ✓ South America and Cuba
- ✓ USA and Canada
- ✓ China
- ✓ Africa

MTS - Your international forwarder, transport and logistics partner

NETWORK

Success through worldwide partnerships

MTS stands for economic flexibility and reliable shipping services. The strength of the family-run company is not only a competent and qualified team but also a well-rehearsed staff.

MTS is your partner for customized solutions from a single source for many years now. We not only transport your goods from A to B, but offer a tailor made solution that caters to your individual needs. We are your reliable partner when it comes to combining various modes of transportation.

Our vision is to span our dedication and give you a 24-hour service - not only regional but also international. Wherever shipping and transport solutions are required we at **MTS** will be there for you.

MTS is a member of the following organizations:

- **FIATA** (International Federation of Freight Forwarders Associations)
- **VHSp** (Association of Freight Forwarders of Hamburg)
- **DSLVL** (German Association for Freight Forwarding and Logistics)
- **NUMOV** (German Near and Middle East Associations)
- **LIH** (Logistics Initiative Hamburg)
- **CGLI** - Simply Strong Together
- **SFN** (Spider Freight Network)
- **TGF** (Turkmen-German Forum)
- **EMA** (Euro-Mediterranean-Arab Association)
- **DKG** (German Kazakh Society)

Our customers and partners are the ultimate focus, as we are rightly known to be the **Modern Transport Service**. We would like to welcome you as one of our estimated customer.

MTS - Your international forwarder, transport and logistics partner

SERVICE

While others hesitate, we are already on our way.

MTS is your partner for customized overall solutions. We strategically plan and provide the optimal logistical solution for your individual needs and offer more than usual transport services.

ROAD

Daily departures of trucks: Full Truck Load (FTL) and Less than Truck Load (LTL) from Europe to Afghanistan, Iran, Turkey, Azerbaijan, Central Asia (Turkmenistan, Kazakhstan, Uzbekistan, Tajikistan, Kyrgyzstan) and CIS Countries. Also benefit from our rail service to the above destinations.

SEA

Worldwide container shipping: Full Container Load (FCL) and Less than Container Load (LCL) shipping from all European ports with particular focus on Afghanistan, Iran, Dubai, Near and Middle East, South America, Cuba, CIS Countries and Africa. Also Sea freight Import from China, Japan and South Korea to destinations worldwide.

AIR

With **MTS** you have the best partner for scheduled airfreight solutions. Our customized products allow us to coordinate your freight even more flexibly and efficiently than ever before.

MTS - Your international forwarder, transport and logistics partner

NEAR AND MIDDLE EAST

MTS is one of the leading freight forwarders in the Middle East.

As members of Numov, we have travelled to many countries in the region accompanied by important politicians and merchants – thus we are aware of our challenge in transportation.

Thanks to our office in UAE/ Dubai and the excellent network of agents in the Middle East, we have the possibility to attend our customers' individual needs personally and efficiently.

Our main destinations are locations such as UAE/ Dubai, Saudi Arabia, Qatar, Kuwait, Egypt, Iraq, Jordan and other Near and Middle East countries.

Our service in this territories include container transport, sea freight, road transportation, airfreight, warehousing and customs clearance.

AFGHANISTAN AND IRAN

Due to our knowledge and considerable years of experience in Afghanistan und Iran, **MTS** can provide you with optimal transport and logistic solutions.

Take advantage of our wide range of possibilities with container transport, sea freight, RoRo, road transportation and airfreight.

With our own branches in Iran and Afghanistan, we offer you on-carriage service from main ports such as Bandar Abbas, Busherh, Khorramshahr, Chabahar to Iranian, Afghan and also Central Asia destinations.

Our on-carriage service includes all types of cargo combined with any transport module (trucks, rail, car carrier, tanks and refrigerated truck).

Furthermore, we offer you our daily truck departures from and to Iran and all European countries.

MTS is one of the transport and logistic providers to UN, ISAF Troops, governmental institutions, humanitarian aid organizations and private sectors in Afghanistan.

We offer one of the most competitive transport service in terms of LCL and airfreight.

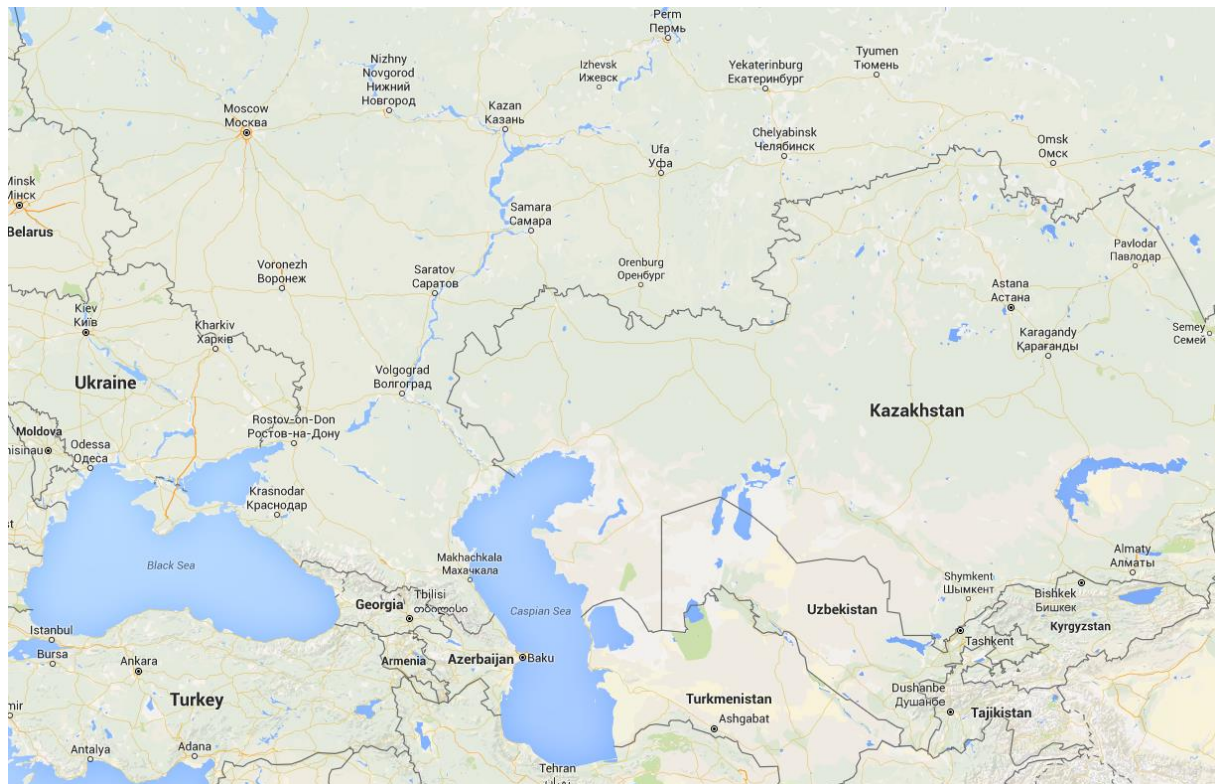

CENTRAL ASIA AND CIS COUNTRIES

Over the years we have built a perfectly functioning network with our partners and agents who are located at many destinations in Central Asia and the CIS Countries.

We serve Central Asia and the CIS Countries with our multimodal transport solution from Europe, China, Malaysia, South Korea, Japan, Middle East Countries, USA and Canada.

The transport to the CIS states requires a particular expertise. With many years of experience and our own agents in the region, **MTS** has created a structure that enables us to meet the demands of the special requirements for this market.

You will get specific advice and the best routes to make your transport fast and reliable by sea, road, air and rail to Central Asia (Turkmenistan, Kazakhstan, Uzbekistan, Tajikistan and Kyrgyzstan) and CIS Countries (Russia, Armenia, Azerbaijan and others).
