I assign the company MTS (MANGAL TRANSPORT & SHIPPING GMBH, BILLSTRASSE 33, 20539 HAMBURG) with the loading, customs clearance and transport of below mentioned goods. The vehicles are unregistered and taken off the road.

From.....to.....at a price of.....€

I am informed that there could be arise additional cost for me by unforeseeable customs controls (e.g. container trucking to the Container scan system). I ensure that the fuel tanks are empty, the current supply for the battery is disconnected and that there are no goods - hidden or seeable - inside of the vehicle. Otherwise these goods have to be stated separatly by the type, amount, value and weight.

I ensure that i will receive the goods (Container) within 48 hours at the destination, if not I have to bear all additional costs like, demurrage/storage and the costs causing by opening of the container by the custom.

I am informed, that the transport will be done by different transport modes and due to that the damage risk is higher. I have been informed about the liability rules of the involved transport companies for damages. Also the possibility to cover an extra insurance for that risk is known to me.

I am also informed that MTS operate exclusively in accordance with the latest version of the German Forwarding Terms and Conditions - ADSp -. Afer that the liability is limited. With my signature I declare, that i was informed of the possibility of an extra insurance. The court of law for all involved, so far they are traders is Hamburg. For claims against the carrier is this court of law exclusively. The place of execution for all involved is Hamburg.
